Dear Mayor Laplante:

I have received your letter of July 21, 1975 in which you discussed the operations of the Lehrer Landfill in the Town of Buchanan. I have discussed this matter with the Lake Michigan District office in the recent past and they recently completed another field investigation of that site and have made a report. In addition, I have also discussed the matter with the Department's Division of Enforcement since this matter has been referred to the Department of Justice for appropriate legal action.

The case was referred to the Department of Justice in the fall of 1974 for operational problems at the landfill and also for failure to submit engineering plans. Mr. Lehrer has submitted engineering plans and the Solid Waste Management Section is communicating with Mr. Lehrer's consultant in order to have the plan upgraded and the design improved to adequate levels. Currently, the Division of Enforcement is also communicating with the Department of Justice pursuant to the latest inspection in order to proceed expeditiously with legal action concerning the operational problems at the landfill. Miss Linda Clifford, Assistant Attorney General, with the Department of Justice, is handling this case.

I hope this letter clarifies the situation somewhat for you. If you have any further questions regarding this matter, please feel free to call me at (608) 266-0468.

Sincerely,
Bureau of Air Pollution Control
and Solid Waste Management

Re: State of Wisconsin v. James Lehrer, d/b/a Lehrer Sanitary Service
Case No. 145-072

Dear Mr. Hartzheim:

This is to confirm our telephone conversation of July 30, 1975, in which we arranged a meeting for August 12, 1975, to discuss the above matter. I have contacted Gary Kulibert, Solid Waste Investigator at Green Bay, and Robert Glebs, Environmental Engineer in Madison, and they will both be able to attend. I have scheduled the meeting for 10:00 a.m. I hope this is not inconvenient for you. My office is in Room 235 of the Loraine Hotel, 123 W. Washington Avenue.

I will be on vacation during this week of August 4, but if you have any questions, or wish to reschedule our meeting, please contact my secretary.

I am hopeful that our meeting will aid in arriving at a resolution of this matter.

Very truly yours,

Linda M. Clifford
